

## Invitation to Sponsor

The 24<sup>th</sup> Annual Power Symposium 2026

18<sup>th</sup> September 2026  
Cordis Hotel, Hong Kong  
Mong Kok

## The 24<sup>th</sup> Annual Power Symposium 2026

The Power & Energy Section of The IET Hong Kong will hold The 24<sup>th</sup> Annual Power Symposium 2026 with the theme of “**The New Energy Paradigm: Digital Frontiers Driving a Net-Zero Power Revolution**” at Cordis Hotel, Hong Kong on 18<sup>th</sup> September 2026 (Friday).

The new energy paradigm is being shaped at the intersection of digital innovation and clean electrification, where AI-driven analytics, predictive intelligence, and robust cybersecurity are transforming traditional power systems into smart, resilient, and self-optimizing ecosystems. At the same time, the accelerating wave of electrification—supported by advanced energy storage, renewable integration, and emerging hydrogen technologies—is redefining how energy is generated, managed, and consumed. Together, these digital frontiers are enabling a fundamental reinvention of power infrastructure, strengthening system resilience and flexibility while driving the global transition toward a secure, sustainable, and net-zero energy future.

In the pursuit of energy transformation, the 24<sup>th</sup> Annual Power Symposium 2026, aims to explore the latest innovations and practical solutions in Net-Zero Revolution. The symposium will provide a platform for professionals, practitioners, academics and researchers to share their experiences, present cutting-edge research, and discuss practical solutions.

We anticipated the symposium could attract over 200 participants of fellow engineers, industry practitioners, academic scholars and subject experts. The event will provide a valuable arena for the industry practitioners to exchange experiences and knowledges, to network with industry peers, and to showcase their services and solutions to the community.

On behalf of the Organizing Committee, we would like to invite you to be one of our distinguished sponsors of this meaningful and invaluable event. In tribute to your generosity, you will be able to promote your products, services and solutions to the participating delegates under the most appropriate environment, and the name of your esteem organization will also be acknowledged in the conference proceedings.

Various sponsorship packages are attached for your kind consideration. We look forwards to your generous support in order to make the event successful. It would be highly appreciated if we could receive your **confirmation by 31<sup>st</sup> May 2026** with a copy of signed Sponsorship Reply Form and e-mail to our Sponsorship Coordinator, Mr. Tony K F Leung ([tony\\_lkf@clp.com.hk](mailto:tony_lkf@clp.com.hk)).

Payment can be made by sending a crossed cheque payable to “The Institution of Engineering and Technology Hong Kong” together with the completed Sponsorship Reply Form to IET Hong Kong, 4602 Cosco Tower, 183 Queen’s Road Central, Hong Kong by post.

Should you require any further information or assistance on the above, please contact our Mr. Tony K F Leung at Tel. (852) 9670 4394 or Mr. Micky Y H Kwok at Tel. (852) 6035 0886.

Yours Sincerely,

Mr. Keith T M Wong

Chairman of Organising Committee  
The 24<sup>th</sup> Annual Power Symposium 2026
